SUN-SHARP (ELIÁ Collection)

Designed and Manufactured in Brooklyn, NY by SARKOS

DESCRIPTION

ELIÁ is Greek for 'olive.'

Our ELIÁ is the energy of earth, fired with a deep mineral hue..
The sun exploding on the never-ending stream of ripening olive trees
as you wind up the mountain
and down the coast,
with the sun beaming down on you and everything else..

ELIÁ is a two-toned metal strié atop soft grey color, resulting in softness that shimmers and recedes,
changing dramatically as you move

The sun exploding at an angle.
Gold streaks glistening on the new green olives - summertime
dusk..

With our SUN-SHARP wallpaper, the straight gold lines you see
from one angle magically disappear as you turn your head
the other way..

You see the softest grey you're sure to ever come across - all of
this is somehow as soothing as cool sea that sits just down
there..

Down there, below the slope of olives you happen to be currently contemplating... I have to wait for fall?

SUN-SHARP is two-toned sharp metallic green-gold color strié over a soft grey hue.
