

ACCESSORIES - PLANTERS + VASES

Wyatt Jr.

Designed and Manufactured in Los Angeles, CA by Boyce Studio

DESCRIPTION

These geometric Tillandsia (or "air plants") planters are made with off cuts of wood that are selected because they may be highly figured, contain knots, or maybe even a live edge. Each one is truly one of a kind and quantities may be limited because of the special nature of these pieces of wood. Each one is sanded smooth and finished with a low VOC oil and wax.
