

LIGHTING - FLOOR

503 Lamp

Designed and Manufactured in Brooklyn, NY by Wintercheck Factory

DESCRIPTION

Continuing our exploration of raw Industrial materials, the Absolute Beige collection is a radical interpretation of the traditional living room set. The collection pairs a flexible polyurethane rubber, chosen for its resemblance to both amber and medical waste, with flesh-colored Corian slabs. Drawing inspiration from the photography of Thomas Demand and 1970s furniture catalogs, Absolute Beige offers an experience that is at once familiar and alien.
