PEARL (TOPIO Collection)

Designed and Manufactured in Brooklyn, NY by SARKOS

DESCRIPTION

TOPIO means 'landscape' in Greek.

This wallpaper line comes direct to you from
Stephanie's Greek Mountain Visions

They are concurrently of the second and third dimension.

What you see when looking at the mountainsides,
color and form weaving over and over and in and out..

TOPIO is layers of iridescent and matte color etched across one another, resulting in a wild depth of texture.

Topio is the landscape.

With our PEARL colorway,
you see the scape of your life,
at dawn,
and it undulates before you, as it shows the path
(all the paths, really)
up this mountain.

Sometimes so soft, other times
astonishingly loud and clear,

always holding your hand and never letting go.

PEARL is layers of iridescent pearl and atop a soft, matte grey color
