White Sage Sachets - Pack of 3

Designed and Manufactured in Windham, NY by Handa Textiles

DESCRIPTION

A set of 3 individually patterned sage sachets to drop in your drawers or place around your home.

Sage naturally freshens your clothes and textiles, as well as having a strong cleansing energy that is good for bringing positive vibes to a home or any space.

Handa products are small-batch handmade textiles, and variations in color, pattern, and size should be expected. Handa does not accept returns for products because of these irregularities. However, if for some other reason you are not satisfied with your Handa product, you may return your (clean, unused) product to our address within one week of receipt for a full refund.
