102 Closet

Designed and Manufactured in Brooklyn, NY by Wintercheck Factory

DESCRIPTION

The 102 Closet is made with heavy gauge chrome-plated steel and mounted on 5" swiveling casters. In addition to the traditional hanging garment rack, a deep wire cage drawer and removable solid wood bin are provided as enclosed storage for small or folded items. The solid wood bin is made in house by WINTERCHECK FACTORY®.

The steel structure of this design is made in California. Our fabricator manufactures a variety of industrial tubular steel products and dominates the coin-laundry market. Their products can be easily identified by a yellow tag which states that the product is made in the U.S.A.
