## Love Me Not

Designed and Manufactured in Brooklyn, NY by Juniper

#### DESCRIPTION

Drawing from childhood memories of picking petals off a daisy, in French called 'effeuiller la marguerite', artist Pascale Girardin, and Brooklyn design studio, Juniper, present Love Me Not, a light-filled pendant.

The organic shape is crafted from five layers of hand-formed, porcelain-finish acrylic, so no two fixtures are identical. Suspended individually or in a cluster, Love Me Not (À La Folie) delivers a magical display of art and light.
