DAYDREAM (ÓNEIRO Collection)

Designed and Manufactured in Brooklyn, NY by SARKOS

DESCRIPTION

ÓNEIRO is a dream in Greek.

After spending a most wonderful summer art residency on Nisi Ton Oneiron (The Island of Dreams) years ago, Stephanie thought a lot about dreams and Greece and dreaming in Greece..

Dreaming of those days when the time between eyes first opening in the morning and legs wading into the warm, calm sea - were a mere 3 or 4 minutes..

And only that long so we could scoop up a coffee to have waiting for after the swim..

Our ÓNEIRO wallpaper is a freely painted, undulating design that is the organic, handmade map of the sweetest, most fun and adventurous slumber.

ÓNEIRO is soft matte color undulating around itself in a slightly curvy vertical composition, with straight column formations at each seam

The Island of Dreams - as in the handmade map of our yesteryears..

The time spent on that island, and all of the time beforehand..

Our DAYDREAM wallpaper is the map that takes you back and through and out and back in again -

one brushstroke at a time...

DAYDREAM is matte, grayish pink/mauve color falling onto white ground
