Solid Sand Rug

Designed and Manufactured in Stockholm & New York by Nordic Knots

DESCRIPTION

The Solid Collection design is all about the carefully selected colors. The duo tone color system you see in most of our rugs is picked up on the edges for a beautiful finish on both ends. It's bold to keep it simple. This rug is skillfully hand woven in 100% high quality New Zealand wool for a soft feel that will last a lifetime. It is woven straight through so you can use both sides of the rug, should you need to.
