

#### LIGHTING - CEILING

## Airon Glow Pendant

Designed and Manufactured in Brooklyn, NY by Buoyant NYC

#### DESCRIPTION

Each one of our teardrop shaped sandblasted diffusers are hand-blown, adding to the Airon Glows organic, jewelry-like feel.

Brass patinas include satin, blackened and antique bronze. 3.5 Watt, MR11 Lamp options include 2800K-5000K color temps.

Each fixture is custom made in Brooklyn, NY. The Airon Glows' sandblasted glass diffusers are hand blown, making each one singular.

#### SPECIFICATIONS

##### Dimensions

17" L x 6" wide at bulb (varies); 5' stem

The fixture hangs up to 6' from a field-adjustable brass stem.

The brass yoke has a 4" internal radius and houses a 3.5W MR11 bulb.

#### LEAD TIME

12-14 weeks
