## The Coleman Bar Cart

Designed and Manufactured in Chicago, IL by Greta de Parry

#### DESCRIPTION

In 2014, Basil Hayden's commissioned Greta de Parry to make "the quintessential bar cart". The challenge was quickly accepted. Day to day most bar carts aren't being rolled around, so The Coleman Bar Cart was designed to be a beautiful presentation and conversation piece while still light, functional, and mobile. Although The Coleman Bar Cart doesn't roll, it definitely rocks.
