MÁRMARO (TOPIO Collection)

Designed and Manufactured in Brooklyn, NY by SARKOS

DESCRIPTION

TOPIO means 'landscape' in Greek.

This wallpaper line comes direct to you from
Stephanie's Greek Mountain Visions

They are concurrently of the second and third dimension.

What you see when looking at the mountainsides,
color and form weaving over and over and in and out..

TOPIO is layers of iridescent and matte color etched across one another, resulting in a wild depth of texture.

MÁRMARO is THE white marble
(which the family region etches out for the gods),

and our MARMARO colorway is the sun and the sea
and the mountain and the paths you walk along -

finding everything and everyone you have ever wished for.

The most subtle of the TOPIO line,
MARMARO gives you the most delightful streaks of golden blues
and greens,

and silvers and creams..
and, of course... dreams..

MÁRMARO is a soft matte white etched across an iridescent gold with blue-green tints
