## IMMERSION

Designed and Manufactured in Brooklyn, NY by SARKOS

### DESCRIPTION

#### IMMERSION

The effervescent feeling of  
looking up  
while underwater..  
Life floats by and your thoughts float up along with it.

IMMERSION is that feeling you get when you open your eyes under water..

And then you are immediately bowled over,  
not just by the school of teeny tiny  
(oh my delicious) marilthes fish  
that you'll be squeezing lemon onto and  
dipping into that tzitziki sauce she made this morning..

BUT bowled over by the fish AND oh my goodness -  
the coral, the spiky shells, the - wait, what was that?

All this movement and beauty,  
it almost blinds you and you swim out of the clean blue sea you  
are in and into your own hazy sea of thought because  
you - just - need - a moment to swim..

IMMERSION is hazy matte blue colors, some chalky, some brighter, in layers, with buoyant pockets of light air
