Oblique Breadboards

Designed and Manufactured in Providence, RI by Oblique Studio

DESCRIPTION

Oblique Breadboards are meant to always be an object of affection wherever they sit. A simple yet elegant design serves both form and function. The different types of wood give a presence to this serving board and each one is chosen and cut to accentuate its characteristics. Easily picked up at the faceted corners, they stack rather nicely in their mirrored geometries. Share some snacks on these slabs!
