Big Sur Natural Runner

Designed and Manufactured in Brooklyn, NY by Caroline Z. Hurley

DESCRIPTION

Our Spring Summer 2018 collection was inspired by the colors and textures of Big Sur, California. This linen runner is perfect for your next dinner party. You could also try it on top of your dresser for an added touch of color. All of Caroline's runners are individually block printed by hand in New Bedford, MA with non-toxic acrylic ink.

Made by hand in the U.S.A.
