

ACCESSORIES - CANDLES + SCENTS

Counting Menorah

Designed and Manufactured in Brooklyn, NY by Avandi

DESCRIPTION

Set of nine modular sculpture-like brass individual holders that create a Menorah or Hannukiah. Each has a reclaimed leather piece on it's base to add traction and a hole at the top to accommodate Hannukah candles. Each piece has been scored, to represent each night of Hannukah, while the shamash stands proud and unscored.

Made with love in MN + NY. USA
