

ACCESSORIES - OFFICE

Wilson Keyring - Carbon Black

Designed and Manufactured in Brooklyn, NY by Craighill

DESCRIPTION

A simple and efficient keyring. Slightly thinner wire than our brass version, due to the increased strength of the stainless steel base. While the nitrocarburized coating is highly durable (often used to coat firearms), it may wear slowly with time, exposing the stainless steel below.

SPECIFICATIONS

Dimensions

2" L x 1.25" W x 0.25" H

Materials

Stainless steel

LEAD TIME

1 week
