

#### MIRRORS - FLOOR

## Cuboid Floor Mirror

Designed and Manufactured in Brooklyn, NY by Bower

#### DESCRIPTION

Shape Mirrors are composed of multiple pieces of glass mirror of varying tints and shapes that together create an elegant optical illusion of three dimensional shapes. The tints are arranged by tone to enhance the shaded effect on the different planes of each shape. Each mirror is framed with a line of thin solid wood.

Glass tint, size, and frame finish are customizable.

Designed by Bower
