VORIÁS (ÁVRA Collection)

Designed and Manufactured in Brooklyn, NY by SARKOS

DESCRIPTION

ÁVRA a cool afternoon breeze that softly comes upon you and makes no waves.

You're relaxing with your arms crossed behind your head.
Feet crossed too (why not, after all?) - oh, I almost forgot..
You're floating in a sea that is so salty,
that you catch your rays while staying buoyantly cool..
and then even cooler is that breeze that makes no waves..
just the sweet, soft ripples in the sea that surrounds you.

ÁVRA is a shimmering, two-toned color patterned in
a unique, vertical column formation of waves.

Voriás translates to the calmest wind from the north,
that sweeps right up to you as you quietly
bob in our Korinthian Sea hideaway.
Our VORIÁS wallpaper is a soft antique lace
that shines gold
- and like being caught in intense sunlight -
the dazzle of the bright gold is magically soft and
completely intense
at the exact same time..

VORIÁS is highly iridescent two-toned gold and violet golden lace in columns
