## KÍANOS (TA METÉORA Collection)

Designed and Manufactured in Brooklyn, NY by SARKOS

### DESCRIPTION

TA METÉORA translates to, "The celestial phenomena; the things in heaven above.."

For our newest line, took inspiration from the images we daydream..

Summer in Greece,  
with the bright sun on our backs,  
the bright colors of the sea,  
the flowers, the homes, the people -

and married them to our obsession with the sky...

Celestial orbs, star-speckled galaxies - all rendered through the hazy mist of infinite space and time.

TA METÉORA is a bright base of translucent color strié base, with tiny white galaxies and poppy color spheres grazing across the universe.

KÍANOS is the ancient greek word for blue.

Our KÍANOS wallpaper is in the family of turquoise & teal blues..

Specifically - the tucked away shore of the perfect little village on a most spectacular island, just a skip of a boat ride from a

tip of the mainland..

Elafónisos.

The shore would stay at your calf height for a full two minute walk in, if only the color didn't stop you in your tracks five times..

KÍANOS is the turquoise-teal blue of the clearest, softest, lapping shore
