

STORAGE - WALL-MOUNTED

## Hanger Shelf

Designed and Manufactured in Cleveland, OH by 2nd Shift

### DESCRIPTION

The Hanger Shelf is perfect for displaying smaller artifacts and objects on your wall without the need for complex installation. Just like the Hanger Frame, minimal work is involved with the brass hardware already attached and ready to hang securely over a nail, tack, or hook. Use one for a light accent display, or three to create a visual library and archive of your most prized treasures. Made from Beech with solid brass components.
