

#### TABLES - COFFEE

## Stone Forest Circle Coffee Table

Designed and Manufactured in Mamaroneck, NY by Ethan Abramson

#### DESCRIPTION

Hewed from 1/4 blackened steel with porcelain top and solid wood details, the Stone Forest Circle Coffee Table is a statement piece for your space.

The designed splits, mimicking live edge tables, are bridged with your choice of Walnut, Ash, Wenge, or Zebra Wood.

Hand built using classic and modern woodworking and metal techniques
