THIN Chandelier

Designed and Manufactured in Brooklyn, NY by Juniper

DESCRIPTION

Much like Ron Gilad paid homage to Ingo Maurer with Dear Ingo for Moooi, so does Peter Bristol pay homage, with a wink and a nod to them both with the THIN Chandelier for Juniper.

Made from precision-machined 1/2 brass tubes, each of the Chandelier's twelve illuminating arms can be swiveled, folded and stretched into a myriad of biomorphic and geometric arrangements, each articulating moods ranging from dramatic to playful.
