Square Brass Wall Hooks

Designed and Manufactured in Brooklyn, NY by Light + Ladder

DESCRIPTION

Subtle jewelry for the walls, the brass hook illustrates the luxury of simplicity. Punctuating the wall with a perfect square of warm brass, the peg's minimal form is as decorative as it is utilitarian. Geometric shapes set at upward angles make them highly effective in preventing even bulky items, like coats and bath towels, from slipping off.

Restrained proportions and rich materials ensure its status as an art object. Crafted from solid brass, the hook's surface will gain a rich patina over time. Solid brass with assembled screw.

Perfect for: hanging a coat, bag, jewelry, a Spora planter. More ideas on our blog post!

Comes in a set of 4 hooks.
