Playa Mat

Designed and Manufactured in Windham, NY by Handa Textiles

DESCRIPTION

Handwoven Churro wool mat. The churro sheep that supply the wool are organically raised a few miles from where the rug is woven by hand on a traditional Spanish loom. All plant-dyed wool.

Handa products are small-batch handmade textiles, and variations in color, pattern, and size should be expected. Handa does not accept returns for products because of these irregularities. However, if for some other reason you are not satisfied with your Handa product, you may return your (clean, unused) product within one week of receipt for a full refund.
