

ACCESSORIES - KITCHEN + DINING

Printed Tea Towel (Grid)

Designed and Manufactured in Hudson, NY by Hawkins New York

DESCRIPTION

These printed tea towels designed for us by Alyson Fox, are comprised of a combination of cotton and premium linen. Five separate organically inspired designs comprise the collection. The collection is directly inspired by the intersection of jungle and beachside sensory stimuli. These pieces offer a splash of modern design and color into any environment. They're great en masse too.
