Throw Quilt No. 9

Designed and Manufactured in Minneapolis, MN by Louise Gray

DESCRIPTION

Blurring the line between form and function, our graphic throw quilts are equally at home draped on a sofa or hung as a work of art. With an emphasis on sophisticated construction and original design, Louise Gray creates pieces that withstand the passing of both time and trends. Handcrafted from 100 percent cotton and linen materials, each throw quilt is machine-washable and easy to maintain for those with little ones and pets.
