Aisha Flat-Weave Rug

Designed and Manufactured in Brooklyn, NY by Aelfie

DESCRIPTION

Feeling like stripes? Preppy pastels? Oriental print? Masculine? Feminine? Breezy blues? Resort? Fall/Winter? If you're feeling like all of the above somehow describe what you want in your space, or could see yourself wanting on a whim, the Aisha rug can handle that. Whether you're decisive, noncommittal, or somehow both depending on the day, this rug is versatile yet quirkily bold.

Aelfie rugs are designed in Brooklyn and handmade by artisans in India.

Rug Pads available at an additional cost.
