

LIGHTING - WALL

Flute Sconce

Designed and Manufactured in Providence, Rumford, RI by Studio DUNN

DESCRIPTION

Engineered for both convenience and inspiration, the articulating minimalist Flute Sconce freely moves to shed light in the direction of your books, decor, or your next bright idea.

Metalsmiths craft the namesake shape of this collection - spun metal pieces mimicking the delicate features of champagne flutes. Powder coat colors and metallic details reference a mid-century modern aesthetic. Custom colors and configurations available.

Bulbs available for purchase in options drop down menu.

UL and cUL certified.

Custom metal and powder coat colors are available.

Custom canopy size available.

Customizations will effect final pricing.
