

TEXTILES - BLANKETS + THROWS

Fin Quilt

Designed and Manufactured in Windham, NY by Handa Textiles

DESCRIPTION

Hand quilted in the Japanese sashiko style in NY with large hand woven cotton panels from the indigenous Mangyan weavers of Mindoro island, Philippines.

Each panel is a different weavers interpretation of a traditional pattern, called 'Little Wave' derived from a coastal design inspired by incoming waves.

Handa products are small-batch handmade textiles, and variations in color, pattern, and size should be expected. Handa does not accept returns for products because of these irregularities. However, if for some other reason you are not satisfied with your Handa product, you may return your (clean, unused) product within one week of receipt for a full refund.
