

ACCESSORIES - PLANTERS + VASES

The Bucky

Designed and Manufactured in Los Angeles, CA by Boyce Studio

DESCRIPTION

This Tillandsia holder was inspired by the shape of Wisconsin, and the speckles represent all the small towns in the designer's home state. Made from two pieces of Maple laminated together, sanded, and then treated with special ink. The planter is then finished with a zero VOC soy based sealer for protection, while keeping a more unfinished look.
