

LIGHTING - TABLE

## M Lamp

Designed and Manufactured in Brooklyn, NY by Juniper

### DESCRIPTION

Looking for something compact, cordless and a bit playful? With an aesthetic borrowed from 19th century mining lamps, the rechargeable M Lamp was inspired by those who always found what they were looking for. Whether it's exploring a hidden cave, glamping on the beach or simply reading in bed, the M Lamp's always ready to go exploring. The M Lamp's innovative and sustainable design has earned it the Core 77 top prize in 2013 and the Gold prize by A' Design Awards 2014.

Best of the rest:

- Brightness between 25 and 200 lumens on maximum 3.5 watts of power
- Between 8hrs and 70hrs of illumination on a full charge
- Full charge reached in 3.5hrs.
- Discreet touch sensor provides full dimming capabilities
- Battery can recharge up to 2,000 times with no degradation
- Entire body crafted from high-grade recyclable aluminum
- Multidirectional head
- Stainless steel carrying handle can also be used to prop the lamp on a wall hook
- Made in North America

Note: Limited quantities available for Copper, Chrome, and Deep Blue finishes.
