

LIGHTING - CEILING

Dune Light

Designed and Manufactured in Cincinnati, OH by Andrew Neyer

DESCRIPTION

The summit of simplicity.

Inspired by one of nature's purest forms, the Dune Light takes on the guise of earthy hills. The nesting mounds are available in three sizes (12, 20 and 30 diameter) to create sculptural landscapes when installed in groups. The shade's profile delivers a soft and stout appearance, ideal for both residential and commercial settings.
