KORINTHIAN SEA (COSMOS Collection)

Designed and Manufactured in Brooklyn, NY by SARKOS

DESCRIPTION

Our COSMOS line is the universe as we know it.

The microcosm - the littlest largest place you've ever been to.

The sea, the sky, the sun; of Domvraína, Voioitiá, Greece.

A large portion of Stephanie's family knows the stones, the coral, creatures, ancient trees, the roads.. and oh!! the shimmer of light refracting, reflecting, showing off every last drip of it.

COSMOS is a deep vibrant matte - or not - strié painted finish with original-every-time bursts of hand-gilt leaf.

The KORINTHIAN SEA is what you dive into each and every day - when you're lucky..

You swim out in the warmest cold you've ever encountered, pop your head out for some sweet air and you look - look look look

and look some more at the dazzle that is before you..

The brilliance of this blue and gold clash harmoniously into a rich, luxurious sea for a space begging to showcase it's natural light.

KORINTHIAN SEA is deep matte luxe blue color strié that fades in and out.
