SOFT (ETHÉRIOS Collection)

Designed and Manufactured in Brooklyn, NY by SARKOS

DESCRIPTION

ETHÉRIOS in greek translates to "ethereal".

And this is what we think of as we stroll through the olive groves..

The morning sun dappling it's way between the branches
and landing on the vibrant rich soil of the ground.

We have debuted ETHÉRIOS atop our ELIA line..

ETHÉRIOS is soft wilting wisps of glowing metal leaf, atop our ELIÁ line

Our SOFT is the moment the sun has dipped completely
below the skyline,

with the light just begging the landscape to hold onto it for just one more moment..

Soft copper cradles the tiniest specks of gold shimmer, while the silver wisps grow up and over endlessly
holding onto that
light -

turn to look at the paper in another way and the soft copper turns to soft soft grey.. welcoming in the eve.

SOFT is two-toned soft metallic copper color strié over a soft grey hue with thin lines of hand-gilt metal leaf

growing up and draping over
